4 Bedroom, 3.50 Bathroom, 2,386 sqft

Residential on 0.03 Acres

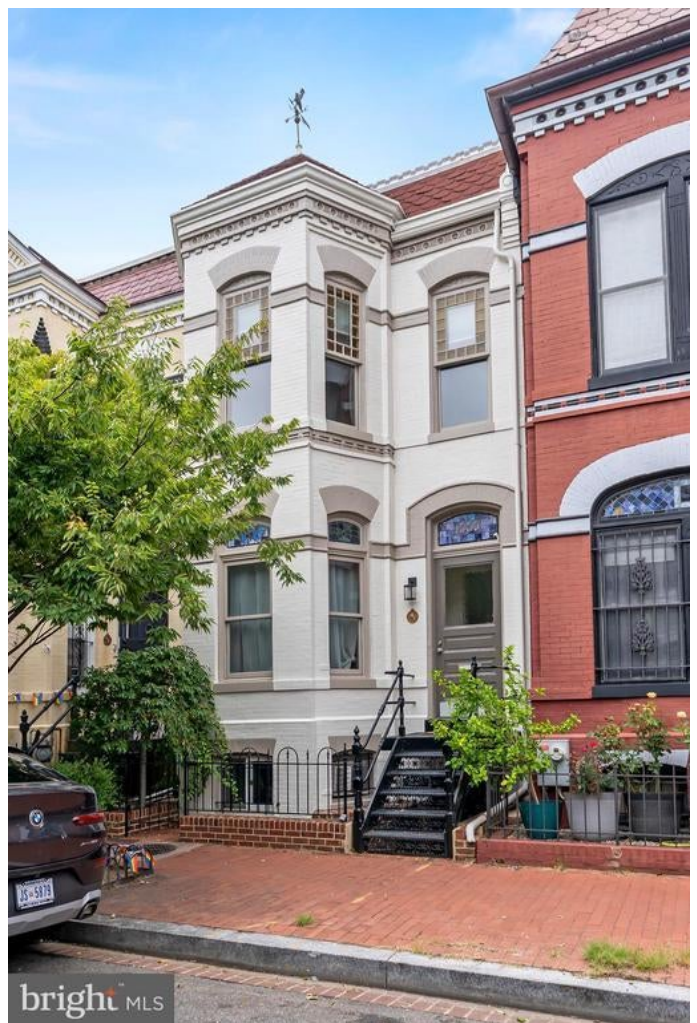

LOGAN CIRCLE, Washington, DC

This stunning 1910 townhouse perfectly blends historic charm and character with modern updates in one of DC's most vibrant neighborhoods. The main house features three bedrooms, two full bathrooms, and a main-level powder room, while the separate lower-level flat includes one bedroom and one full bathroom – a potentially lucrative AirBnB with strong rental history. There is a certificate of occupancy for a two-family flat.

Throughout the home, you'll find gorgeous original hardwood floors, updated lighting, custom built-ins, stained glass, and oversized bay windows that fill the space with natural light. Upstairs, one bedroom features a spacious walk-in closet, while another showcases custom built-in drawers for added style and storage.

Step outside to a charming private brick patio, complete with concord grapevines and a perfectly placed pear tree – a little urban oasis ideal for relaxing, entertaining, or dining with friends. Need parking instead? The space easily converts to off-street parking when needed.

Tucked away on a quiet, one-way block, you're just steps from Trader Joe's, the U Street Metro, and some of the city's best coffee shops, restaurants, and nightlife along 14th and U Streets.
